Plant Service Department

The motto of this department is that of the Prince of Wales "Ich Dien" (I Serve). We aim to give nobility of service to both grower and consumer, serving both in such noble ways as to be a boon and delight to each.

We guarantee all plants sent out by us to be true to name, of first-class quality and in good healthy growing condition when delivered to transportation company and will adjust any difficulty to the entire satisfaction of the customer should such occur through any fault on our part.

Orders from parties who do not have an account with us should be accompanied by a remittance or a satisfactory reference. We prefer not to send perishable goods C. O. D.

All Prices subject to market changes and if unsold.

NEW ROSES

Mrs. Moorfield Storey

Has a strong, upright growth. Very few thorns. Large, handsome, dark green foliage practically free from disease. A very free bloomer. Flower are of good size and substance with abundant petals, opening freely. The color is shell pink, deepening toward the center. Large, smooth petals tipped deep rose.

GEORGE ELGAR (Golden Midget)

In the "sweetheart" class, except as to color, which is a lovely dark golden yellow. Has more petals than "Sweetheart"; bears its foliage close to the bud.

Very free bloomer. Requires a temperature of 60-64, with liberal watering.

Grafted	Per 100	Per 1000

NEW CARNATIONS

ROOTED CUTTINGS
Mrs. G. Edward Akehurst (Akehurst)
Raiser's Description

A pedigreed seedling dating back to 1905. Parentage Genevieve Lord, Floia Hill, Lawson and Enchantess. Color clear rose pink; large flowers three and one-half to four inches; bloom carried on long stiff stems, very fragrant, a healthy strong grower; continuous bloomer and exceptionally free. A money maker.

Rooted Cuttings \$12.00 per 100, \$100.00 per 1000.

Pink Sensation (Dorner)

Flowers extremely large, averaging four to four and one-half inches. The keeping qualities are excellent. The color is a well defined pink somewhat lighter than Gloriosa. The growth is stocky, has a heavier foliage than ordinary and throws good, long, heavy flower stems.

Rooted Cuttings \$12.00 per 100, \$100.00 per 1000.

Good Cheer (Dorner)

Color deep pink, darker than Gloriosa. Stems extra long and stiff. Size three to three and one-half inches. Has good keeping qualities. An early and continuous bloomer. As a producer it has exceptional merit.

Rooted Cuttings \$12.00 per 100, \$100.00 per 1000.

Alice (Fisher)

In color a beautiful shade of clear bluish pink without a trace of salmon. The blooms average three to three and one-half inches in diameter. It propagates easily and grows rapidly; continues to flower very early; an exceptionally free bloomer. The petals are well arranged. It has a good strong calyx and a lush flower is seldom seen. An easy doer like Enchantess, not as full in petals, but far more productive.

Rooted Cuttings \$12.00 per 100, \$100.00 per 1000. A fine lot of cuttings ready now.

Mrs. Chas. Siegart

This is a Pink Enchantess seedling with a more solid and deeper color, which does not fade at the edges even in hot weather. A taller flower and stronger growth. Blooms as freely as Enchantess and is a decided improvement.

\$7.00 per 100, \$60.00 per 1000.

Matchless

This Splendid White Carnation introduced last year has made good everywhere. Growers and retailers alike, in all sections of the country have only the highest praise for it. You make no mistake in purchasing this variety.

Rooted Cuttings \$6.00 per 100, \$50 per 1000.

Champion

Introduced by Damer & Sons last season, is proving good wherever grown extensively. It seems to be the coming Red.

Rooted Cuttings \$6.00 per 100, \$50 per 1000.

Enchantess Supreme

This has been tested and tried for two seasons and without doubt will entirely supplant Enchantess. The demand each year has far exceeded the supply. Place your order early and make sure of your stock of this splendid variety.

Rooted Cuttings \$4.00 per 100, \$35 per 1000.
